GOVT. ARTS AND SCIENCE COLLEGE BALUSSERY
ACTIVITY REPORT 2018-19

Walk With a Scholar (WWS) programme is a new initiative by Higher Education Department, Government of Kerala envisaged to raise the standard of Higher Education Sector to a world class level. It is proposed to arrange specialized mentoring programmes and motivational visits for students in the undergraduate courses, to nurture promising and willing students (mentees) and to provide guidance for their future. This scheme introduces the idea of mentoring and builds on the concept of mentor as a guide and friend. The mentoring is a process where a mentor having greater experience and wisdom guides the mentees to develop both personally and professionally. The WWS scheme aims at giving necessary orientation to needy students, to prepare themselves for employment and give them necessary guidance, motivation and mental support to identify appropriate areas of higher study as well as employment.

WALK WITH A SCHOLAR ACTIVITIES IN NUTSHELL

The activities of WWS for the year 2018-19 were organized at 6 levels in the college.

1. Orientation and student selection
2. Internal Mentoring
3. External Mentoring

4. Motivational visit to academic institutes of national and international reputation
5. Residential motivation camp.
6. Procurement and distribution of study materials and stationary kit
7. Mock tests and Mock interview.

ORIENTATION AND SELECTION OF MENTEES

WWS started functioning with an orientation programme for all first year UG students of the college. The programme gave them a clear view about WWS, its functioning and its goals. In July 2018 applications were invited from first year students who had scored a minimum of 60% marks in their higher secondary examinations and those with a genuine interest in the programme. After proper screening of the applications a rank list was prepared based on their scores in the Higher Secondary Examinations. First thirty students in the rank list were selected for the programme and the next two were placed in the reserve list. Mentees of second and third year UG batches had selected in the previous years and they continue to be beneficiaries of the programme till the end of their UG course..

INTERNAL MENTORING

Internal mentoring aims at providing opportunities with strong foundations of certain skills, attitudes and competencies. Students were grouped and allotted to internal mentors on the basis of the subject they chose for under graduation and of their specific interests as well. The primary objective of internal mentoring is envisaged to provide the aspirant some customised activities that enhance their learning experience and employability skills. The pedagogy of the programme concentrates on active study techniques that require the students to think and reason for themselves. 15 members of the teaching faculty were selected as mentors for the 90 students based on their willingness to perform the task. Each internal mentor had to mentor 6 mentees allotted to them. A list of internal mentors and the students allotted to

them are given below. An induction programme was also conducted for first year mentors in the college itself before starting the internal mentoring classes.

MOTIVATIONAL TOUR

We started our journey on 11th January 2019 form Balussery to IIM Kozhikkodu. After having our breakfast from Balussery we travelled in a tourist bus christened as Sindooram. This bus was hired by inviting quotations from three travel operators to conduct a packaged tour. Prior approval from the monitoring committee had also obtained for the same. After the lunch we reached in the IIM, Kozhikodu campus. With the help of a security guard we were taken to the inside of campus and later into the glorious building. They gave us a warm welcome.

We could visit the vast library and art gallery there. One official guided us and she gave a short description about IIM courses and the basic requirements to be fulfilled to get an admission into this prestigious institution.

Then we continued our journey towards Thirure and after having a grand food we checked into a hotel for one night stay.

After breakfast ,we entered into KILA campus. We had a good session there, by Peter M George, Associate professor of KILA, about the three tire system in India followed in the Indian administration. He also asserted the need for participation in the Gramasabha meetings as every participant was above the age of 18 and eligible to cast their vote.

After having our lunch in a hotel near by the zoo, Thrisure, we spent some time in the zoo also. Then we started our return journey we reached Balussery by 9 P M on 12th January.

With a grand Dinner in the night we completed our tour. From the responses of the students, we could know that they really liked it and must have helped them to form themselves as strong, determined and goal oriented students.

MOTIVATIONAL CAMP-WALK WITH A SCHOLAR- 2018-19

The Objectives of the motivational camp was to train the students in the following areas.

1. Personality development- The objective of this session is to build self-confidence, enhance self-esteem and improve overall personality of the participants. It aims at grooming the participants through sensitizing them about proper behavior, socially and professionally, in formal and informal circumstances.

2. Career guidance and goal setting- The objective of this session is to train students to develop positive attitudes towards study and work, to evaluate their own strengths and to build on their own areas for development, to help students fully engage in career planning and to understand and develop the skills that are required to be successful in their future pathway.

3. Time management- The objective of this session is to help students to identify your own particular time wasters and adopt strategies for reducing them, to recognize the variety of causes of procrastination and apply relevant techniques to overcome these, to clarify and prioritise their objectives and goals, by creating more planning time, to adopt appropriate strategies for dealing with interruptions and anything else which ‘steals’ their time.

Date and venue of the camp- 19th&20th January 2019, college premise.

Procurement and distribution of study materials and stationary kit

All mentees were supplied with a stationery kit containing a note book, pen and file. Proper documentation has been made in this regard. Besides as study material 'Kerala Administrative Service' (KAS), published by Brilliance publishers, (pages 1300, price 500/- each) Thiruvananthapuram was distributed to the mentees. Recipients' signature has been obtained in the register. This purchase was made by inviting 3 quotations from publishers and book stalls and the least quotation was selected to make purchase. The prior approval of Monitoring committee had also obtained for the same.

Mock test and Mock interview

Two mock tests at the level of national exams were conducted for our final year mentees. What matters most was these exams were conducted strictly in accordance with current exam patterns. Four set of question papers with different alpha codes were prepared and supplied to the students. Bubble type OMR sheets were also given to them for marking their answers. Mentees had been given prior instruction to bring any one of their ID cards with them and enter into the exam hall before half an hour of commencing the exam. After evaluation of their answer sheets rank list was prepared for each exams in the order of marks secured by them. Question papers, OMR sheets and rank list are appended herewith.

See appendix for question paper,OMR sheet and rank list.

Mock interview training was also given to the final year mentees by the trainer Sri.Libeeesh P.C.
