Sir/Madam

Sub:- Govt. Arts & Science College, Balussery, Kozhikode- Including ground floor in the  
back leaf of main college building-regards

Ref:- This office letter even no dtd 31.3.21

As per the reference cited, I hereby sending the reminder letter for including ground floor in the back leaf of the College Building Master Plan. Kindly include the ground floor in the back leaf because our college is urgently in need of this ground floor for deploying fitness center and multigym for the Physical Education Department as the same has not been included in any place in the proposed building. Without this NAAC will NOT consider our college for the accreditation.

Kindly take urgent steps to include the ground floor at the back leaf in the master plan and provide the same as early as possible.

Thank you for your support.
